## Baseball, Hot Dogs, Apple Pie ...

### Does everybody else remember that old jingle?

That was out about the time I was enjoying baseball as a player. I had a great right arm and loved to bunt and steal bases. The park was always a joy to go to as a player, as a coach or even just a fan. There's a unique smell to a good baseball park. I've got that jingle in my head right now. I am back in the park! I am coaching t-ball now to 13 little 5 and 6 year old girls. It's a blast! They giggle when they make the coach jump or fumble a ball. They giggle as we are learning to run the bases. They get huge smiles when we utter our cheer at the end of practice. "Go Chicks!" We are sponsored by Chick-Fil-A which is really kind of cool. One unique thing about our park now is that there is no dirt! They put all turf down on the infields at our new [Cornerstone Park](#) in StarkVegas Mississippi. This thing gives rival to our Mississippi State University's Dudy Noble Field. There is a statue of [Cool Poppa Bell](#) a major league baseball player who was born in Starkville. I've always thought of baseball parks as

one in your hand and a good ol' juicy loaded hot dog in the other. Apple Pie? Yes please! T is a cool letter, T-ball, Thanksgiving, Transmatch, Transmitter. Let's explore the MFJ world of Ts . . .

T

### MFJ-1703B

T as in Transceiver/Antenna RF Safety Switch. Keeps your expensive transceiver safe from transmitting into absolutely nothing! No more burning your radio up because you forgot to change your antenna switch! 1.8 to 54 MHz.

### MFJ-949E

T as in Tuner. Antenna Tuner to be precise. The best selling manual antenna tuner in the world! A long time companion to many shacks around the world. Not just a tuner, but an antenna switch, a cross-needle SWR/Wattmeter, a dummy load. You get it all plus HF + 6-Meter frequency coverage. More hams use MFJ Antenna Tuners than all others in the world! Why? Features, Economical Pricing, Proven Product.

T as in Telegraph Key with Oscillator. We sell a lot of [MFJ-557s](#). It's a bargain. You get a handy telegraph key and a oscillator built onto the same base. You can practice, practice practice and then play with the big boys on the radio!
